

## STICK IT TO THE MAN

When the world has screwed you  
And crushed you in its fist  
When the way you're treated  
Has got you good and pissed  
There's been one solution  
Since the world began  
Don't just sit and take it  
Stick it to the man  
Rant and rave and scream and shout  
Get all of your aggression out  
They try to stop you let 'em know  
Exactly where they all could go  
And do it just as loudly as you can  
Stick it to the man

Parents overwork ya?  
Stick it to the man  
Hate the way they jerk ya?  
Stick it to the man  
Tired of the system?  
Stick it to the man  
Rise up and resist them  
Stick it to the man  
Break the rules, ignore the signs  
And colour way outside the lines  
Go off the script, do what you like  
They hate it, they can take a hike  
Why live your life to someone else's plan?  
Stick it to the man

Put some of it into your music

Piss the politicians  
Stick it to the man  
Had it with the hipsters?  
Stick it to the man  
Sick of corporate culture?  
Stick it to the man  
Get up off your iPad  
And stick it to the man  
Rock the house and make a scene  
And crank the amps to 17  
And scream until their ears are shot  
They all can kiss your you-know-what  
Do everything they ever tried to ban  
Stick it to the man

When the world has screwed you  
And crushed you in its fist  
When the way you're treated  
Has got you good and pissed  
There's been one solution  
Since the world began  
Don't just sit and take it  
Stick it to the man

Rant and rave and scream and shout  
And stick your middle finger out  
And wreck your room and rip your jeans  
And show 'em what rebellion means  
Why march to someone else's caravan?  
Especially those you're so much cooler than  
It's time to throw some shit against the fan  
There's no way you can stop  
The School of Rock  
Stick it to the man
