

## Only Us

[ZOE]

I don't need you to sell me on reasons to want you  
I don't need you to search for the proof that I should  
You don't have to convince me  
You don't have to be scared you're not enough  
'Cause what we've got going is good

I don't need more reminders of all that's been broken  
I don't need you to fix what I'd rather forget  
Clear the slate and start over  
Try to quiet the noises in your head  
We can't compete with all that

So what if it's us?  
What if it's us  
And only us  
And what came before won't count anymore or matter?  
Can we try that?

What if it's you  
And what if it's me  
And what if that's all that we need it to be  
And the rest of the world falls away?  
What do you say?

[EVAN]

I never thought there'd be someone like you who would want me

[ZOE, spoken]

Well...

[EVAN]

So I give you ten thousand reasons to not let me go  
But if you really see me  
If you like me for me and nothing else  
Well, that's all that I've wanted for longer than you could possibly know

So it can be us  
It can be us  
And only us  
And what came before won't count anymore or matter  
We can try that

[EVAN & ZOE]

It's not so impossible

[EVAN]  
Nobody else but the two of us here

[EVAN & ZOE]  
'Cause you're saying it's possible

[ZOE]  
We can just watch the whole world disappear

[EVAN & ZOE]  
'Til you're the only one  
I still know how to see

[EVAN]  
It's just you and me

[ZOE]  
It'll be us  
It'll be us  
And only us  
And what came before won't count anymore

[EVAN & ZOE]  
We can try that  
You and me  
That's all that we need it to be  
And the rest of the world falls away  
And the rest of the world falls away

The world falls away  
The world falls away  
And it's only us
