**Start**

**KING GRISTLE**

Wow! Great work, Trolls, great work! There's no way this doesn't knock her socks off. But, wait. Considering this is my first Trollstice as king, let me get a second opinion. Advisor?

*(ADVISOR enters.)*

**ADVISOR**

Yes, Your Majesty?

**KING GRISTLE**

I need a second opinion.

**ADVISOR**

Well, what was the first opinion?

**KING GRISTLE**

I thought it was great.

**ADVISOR**

Ok, so did I! Bye!

**End**

*(ADVISOR exits.)*

**KING GRISTLE**

*(to himself)*

I still get the feeling we're not doing this whole advising thing right. Think, King Gristle. What would your dad King Gristle do?

*(a beat)*

He would not be satisfied until it was as entertaining as Bergenly possible.

*(to TROLLS)*

I'll know it when I see it! And none of those are it.

**GUY DIAMOND**

Why not?

**KING GRISTLE**

Because of the stakes.

**BIGGIE**

What about the stakes, have they gotten lower?

**KING GRISTLE**

Royal Guards, they're not getting it.

**ROYAL GUARD CHAD**

Princess Marie Bergenette of Bergen, France, is coming to the Trollstice Trolls Feast.

**COOPER**

*(scared)*

But you don't have a Trollstice Trolls Feast anymore...

**ROYAL GUARD CHAD**

Apparently, she doesn't know that.

**SMIDGE**

*(terrified)*

So when are you going to tell her?

**KING GRISTLE**

All we have to do is put on a show that brings her so much happiness she forgets all about the Trollstice Trolls Feast. Because, if she's not happy, I'm afraid she might invade us, take over and bring back the Trolls Feast!
